

MISSOURI ACADEMY OF FAMILY PHYSICIANS

CALL FOR PRESENTATIONS

Physicians and Healthcare Professionals are invited to submit proposals for Missouri Academy of Family Physicians (MAFP) CME sessions. CME events are available at <https://www.mo-afp.org/cme-events/>.

MAFP education sessions are attended by family physicians, residents, students and other health professionals to continue their medical education. We are grateful for your contribution to the profession and interest in presenting to Missouri Family Physicians.

Important Dates to Remember:

Program	Date of Program	Proposal Submission Deadline	Abstract Selection Notification
Annual Fall Conference	November 6-8, 2025	May 31	July 1
Midwest Obesity Symposium	September 12-13, 2025	May 31	July 1

Applicants are encouraged to deliver engaging and dynamic learning environments. In addition to traditional didactic presentations, we are interested in case-based learning, town halls, panel discussions, interactive workshops, and more. Sessions of various lengths may be considered so please do not feel constrained to the typical 60 minute format.

All submissions will go through a peer-review process overseen by the MAFP Education Commission. The reviewers will consider factors such as identified learning needs of the membership, presenters professional qualifications, style of presentation, and the overall curriculum for each event. Notifications will be sent by email to the selected presenters. Submissions may be considered for multiple CME opportunities unless so noted. Please contact the MAFP Office to discuss honoraria, if required.

Questions: Contact the MAFP Office at (573) 635-0830 or marketing@mo-afp.org.

We look forward to receiving your submissions and delivering impactful CME to Missouri’s family physicians.

Sincerely,

Lauren Wilfling, DO, FAAFP
Education Commission Co-Chair
